## COVID Safe Regatta Measures

1. Club policies and the Club's Covid-19 Safety plan should be followed where applicable.
2. Members should exercise common sense and adhere to public health orders and social distancing requirements in place at the time and location of a particular regatta.
3. If in doubt over any issue, please feel free to raise it with a Committee of Management (CoM) member.

Specifically:

### Health

- Should any member have any cold or flu symptoms or generally feel unwell, they must not attend. Instead, they should get COVID-19 tested and self-isolate until results are received.
- Should any member come into contact with a known source or positive COVID-19 case, they should self-isolate and advise a member of the CoM.
- Should any member have attended the same venue as a confirmed case they should get COVID-19 tested, they should self-isolate and advise a member of the CoM.

### Equipment

- Where possible, athletes should use their own equipment.
- Sculling oars that have been individually allocated by the Boat Captain should be used by members that are using club oars.
- If club allocated shared equipment is to be used, it should be thoroughly cleaned after use.
- If boats are shared, they should be cleaned thoroughly after using with the cleaning equipment located at the boat trailer.
- Regatta packing list to include cleaning equipment and hand sanitizer.

### General

- Hand sanitizer is to be available on the boat trailer.
- Practice appropriate social distancing where possible outside of the boat; 1.5 metres apart
- Avoid sharing water bottles & food.
- Adhere to any COVID-related requirements of Rowing NSW or regatta venues.
- Invoicing of athletes for seat fees to be done electronically by the Treasurer
- RNSW encourage members to use the COVIDSafe App.
